Dear Sir or Madam:

Please be advised that I request my name be added to the list of parties interested in the purchase of Cayuga Lake Bank Corporation Common Stock, which may become available for purchase. I have read the attached information regarding the process as well as the risks associated with the ownership of Cayuga Lake Bank Corporation Stock. I understand that the purchase of common stock in the Company carries with it certain risks, which include the potential loss of some or all of my investment, as does the investment in the stock of any other company. The risks of ownership in the stock of Cayuga Lake Bank Corporation may or may not be greater due to the illiquid nature of the investment and the limited market within which the Company operates. I am also fully aware of the financial reports available on the Company and its subsidiary Cayuga Lake National Bank and understand that in assessing the value and risk in owning stock of the Company I should regularly monitor and evaluate the financial situation of the Company before making a purchase.

I understand that the Company will not release my name or the fact that I have expressed an interest in ownership to any party without my consent, other than to those within the Company authorized and associated with investor relations.

I request that my expression of interest remain valid until such time as I withdraw it in writing.
